The background of the entire page is a deep space image featuring a large, intricate nebula. The nebula has a complex, filamentary structure with various colors including bright orange, yellow, and white, set against a dark, star-filled background. A series of overlapping, wavy lines in shades of orange and yellow are superimposed horizontally across the middle of the image, creating a sense of motion or a signal. The text is centered in the middle of the image, overlaid on the nebula and the wavy lines.
